

### **OUR RESPONSIBILITIES**

As the managers of the Sydney Motorsport Park precinct - Australia's most active circuit, the **Australian Racing Drivers Club** fully embraces our environmental, social and economic responsibilities.

### **OUR PLEDGE**

We are committed to ambitious and measurable sustainable development programs at Sydney Motorsport Park.

To significantly reduce our environmental impact across our precinct and

To implement innovative sustainability solutions in collaboration with our partners and stakeholders across the motorsport industry

### **OUR KEY PROGRAMS AND ACTIONS**

- Provide track access opportunities to local community
- Establish Australian Motorsport Innovation Precinct
- Introduce night economy to expand business opportunities
- Implement sustainable technology on track and off track
- Create a sustainable waste management program
- Build an ecosystem of local suppliers
- Monitor and reduce energy and water consumption
- Measure and reduce noise and air emissions
- Plant trees and preserve biodiversity
